I dare you to find a prettier setting than 9 Kenwood! It's at the head of a cul-de-sac on the edge of Saddle River County Park. The summer room is just the nicest place to be on a beautiful spring day...sit there looking out on the park and watch the clouds roll by. It's beautifully maintained. So many great features...hardwood floors, central air, new hvac, finished basement, attached garage, shed...Move in and enjoy all that summer here has to offer!
